

水波紋效果燈

OUTDOOR WATERWAVE LIGHT

JR13L

7種顏色可靈活調用，燈光變換平滑細緻，可呈現彩虹流水效果。燈具可站立、吸頂或壁掛安裝，並因應不同的安裝場合靈活調用顏色，是公共設施與景觀照明優質提升的最佳選項。

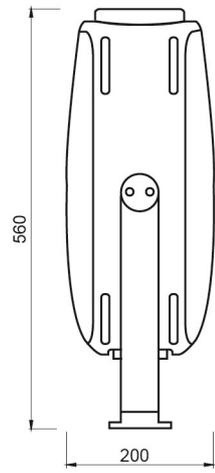

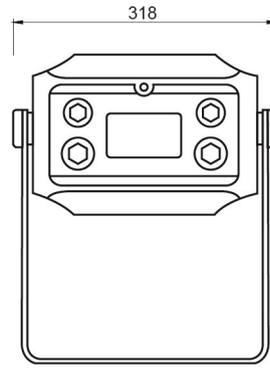

The 7 colors can be flexibly called, and the light changes smoothly and meticulously, which can show the rainbow flowing effect. The luminaires can be installed in a standing, ceiling or wall mount, and can be flexibly invoked in response to different installations. This is the best option for improving the quality of public facilities and landscape lighting.
